CERTIFICATE UNDER 37 CFR 3.73(b)

WOLF-TEC INC., a corporation of New York, certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of:

An Assignment from the inventor(s) of the patent application identified above. The assignment was:

This is a divisional of Serial No. 09/808,398 filed March 14, 2004 (which claims the benefit of 60/189,667) filed March 15, 2000) and recorded on July 11, 2001 in the U.S. Patent and Trademark Office at Reel 011969, Frame 0017.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

The undersigned further declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States

10/782,007

Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
